80% to PI, 10% to department, 10% to School of Health Professions	Cardiopulmonary & Diagnostic Sciences Health Psychology
Utilized first to pay salary portion of Research Associate not covered by grant funds, of the remaining funds, 80% to PI, 20% to department	Physical Medicine & Rehabilitation (\$58,617)
75% to PI, 25% to dept	Radiology (\$41,998) \$31,498.50 to PI, \$10,499.50 to dept. Veterinary Medicine & Surgery (\$28,800) \$21,600 to PI, \$7,200 to dept.

72% to PI, 18% to department, 10% to the College of Education – Early Childhood and Elementary Education (\$53,337) \$38,402.64 to PI, \$9,600.66 to department, \$5,333.70 to College of Education

First \$3,000 to PI, additional money will go 2/3 to PI, 1/3 to department – Geography (\$6,607)

First \$2,000 to PI, funds in excess of \$2,000 are divided 60% to PI, 40% to department
Communication Sciences & Disorders

60% to PI, 30% to school, 10% to College of Education
School of Information Science & Learning Technologies (\$33,455) \$20,073.00 to PI, \$10,036.50 to school, \$3,345.50 to College of Education

May specify a fraction (not less than 50%) to be distributed to PI, may specify a fraction to be used for specific purposes, may specify a fraction to be used for unforeseen research needs
Division of Biological Services (\$237,747) at least \$118,873.50, remainder to dept.

50% to PI, 50% to dept

- Animal Sciences Unit (\$188,189) \$94,094.50 to each
- Biological Engineering
- Child Health (\$133,013) \$66,506.50 to each
- Dept. of Psychological Sciences (\$157,929) \$78,964.50 to each
- Family & Community Medicine (\$64,148) \$32,074 to each
- Food Sciences & Engineering Unit (\$24,901) \$12,450.50 to each
- Geological Sciences (\$30,627) \$15,313.50 to each
- Human Development & Family Studies (\$70,004) \$35,002 to each
- Industrial & Manufacturing Systems Engineering (\$2,062) \$1,031 to each
- Journalism (\$15,586) \$7,793 to each
- Mathematics (\$38,388) \$19,194.00 to each
- Nutritional Sciences (\$24,761) \$12,380.50 to each
- Ophthalmology (\$55,860) \$27,930.00 to each
- Psychiatry/Neurology (\$24,382) \$12,191.00 to each
- School of Music
- Sociology (\$3,818) \$1,909.00 to each
- Statistics (\$15,108) \$7,554.00 to each
- Veterinary Medical Diagnostic Lab (\$16,205) \$8,102.50 to each
- Veterinary Pathobiology (\$113,531) \$56,765.50 to each

50% to PI, 25% to center or institution, 25% to Truman School of Public Affairs
Truman School of Public Affairs

45% to PI, 45% to department, 10% to College of Education
Educational Leadership & Policy Analysis (\$17,926) \$8,066.70 to PI, \$8,066.70 to dept., \$1,792.60 to College of Education

45% to PI, 45% to department, 10% to School of Health Professions
Occupational Therapy

40% to PI if amount is over \$1,000, 60% to department

College of Agriculture, Food, Natural Resources (\$48,834)
Agriculture Economics ((\$96,575)
Agriculture Education (\$3,211)
Rural Sociology (\$41,772)

40% to PI, 50% to department, 10% to College of Education

Department of Middle & Secondary Education (\$43,170) \$17,268.00 to PI,
\$21,585.00 to dept., \$4,317.00 to College of Education

40% to PI, 40% to faculty's department, 20% to School of Natural Resources

School of Natural Resources (\$96,679) \$38,671.60 to PI, \$38,671.60 to dept.,
\$19,335.80 to School of Natural Resources.

35% to PI, 65% to dept Chemistry (\$103,747) \$36,311.45 to PI, \$67,435.55 to dept.

33.3% to PI, 66.7% to dept School of Law (\$3,900) \$1,298.70 to PI, \$2,601.30 to dept.

33% to PI, 33.3% to department, 33.4% to faculty use/RIF committee

Physiology (\$148,168) \$49,339.45 to PI, \$49,339.45 to dept., \$49,489.10 to
faculty use/RIF committee
Plant Science Unit (\$129,880) \$43,250.04 to PI, \$43,250.04 to dept.,
\$43,379.92 to faculty use/RIF committee

30% to PI, 60% to department, 10% to College of Education – Educational and Counseling Psychology
(\$77, 587) \$23,276.10 to PI, \$46,552.20 to dept., \$7,758.70 to College of Education

25% to PI, 75% to dept Veterinary Biomedical Science (\$294,190) \$73,547.50 to PI, \$220,642.50 to
dept.

20% to PI, 80% to dept Sinclair School of Nursing (\$106,891) \$21,378.20 to PI, \$85,512.80 to dept.

85% for graduate research assistants, 8% to PI, 7% to department - School of Social Work (\$40,490)
\$34,416.50 to graduate RA's, \$3,239.20 to PI, \$2,834.30 to dept.

75% for graduate student stipends, 25% to dept. Missouri Resource Assessment Partnership
(\$27,738) \$20,803.50 for stipends, \$6,934.50 to dept.

10% to Office of Research, 90% to Dean's office – Health Professions (\$16,169) \$1,616.90 to OR,
\$14,552.10 to dept.

100% to dept

Biochemistry - CAFNR (\$132,277)
Biochemistry – Medicine (\$181,987)
Economics (\$20,235)
Health Management & Informatics (\$66,709)
Internal Medicine (\$106,709)

100% to dept

Molecular Microbiology & Immunology (\$97,610)
Obstetrics & Gynecology (\$22,488)
Orthopaedic Surgery (\$193)
Pathology & Anatomical Sciences (\$75,612)
Pharmacology (\$53,245)
Political Science (\$947)
Surgery (\$47,216)
Water Resources Research Center (\$60,212)

Other

Art - no policy because they do not generate RIF funds

Center for Study of Organizational Change – determined by Board of Directors for School of Public Affairs in consultation with Director of CSOC (\$2,120)

College of Business - for eligible faculty, up to \$500 per year for data entry expense, \$500 for additional research expenses; faculty who have extraordinary data entry and/or research support needs that exceed these maximum allotments may apply for additional assistance from these funds, and remaining funds may be used to meet short-term and matching funds requests for research support (\$3,180)

Early Childhood & Elementary Education – 10% of the total amount goes to the College of Education Office of R&D, 80% of the remaining 90% to PI, 20% of the remaining 90% to department (\$53,337)
\$5,333.70 to COE Office of R&D, \$38,402.64 to PI, \$9,600.66 to department

Educational & Counseling Psychology – 10% of the total amount goes to the College of Education Office of R&D, 33.3% of the remaining 90% to PI, 66.6% of the remaining 90% to department (\$77,587)
(\$7,758.70 to COE Office of R&D, \$23,252.82 to PI, \$46,575.48 to department)
