

Where funding connected with researcher expertise turns into success.

Pivot at Mizzou

The University of Missouri maintains a campus-wide subscription to Pivot, a comprehensive database of grant, award, fellowship, and other funding opportunities covering all disciplines. Pivot replaces Grant Forward for the MU campus.

The following resources are available to help you get started:

- Short video tutorials are linked on the Pivot Funding Opportunities Database page on the Office of Sponsored Programs Administration (OSPA) website:
http://research.missouri.edu/ospa/pivot_funding.php
- Pivot maintains a comprehensive set of Help documents on its Support page and offers free live and recorded training webinars each month:

OSPA will be happy to assist you in using this service. If you have questions, or to schedule a training session for your department's faculty and staff, contact Brenda Leuenberger at leuenbergerb@missouri.edu or 882-8307.

Pinpoint global funding and collaborative opportunities simultaneously.
