MU Limited Submissions - General Review Criteria

The proposal shall be rated against each question on a rating scale of 1-5, with 5 indicating that the proposal most strongly meets this criterion.

1. Is the proposed project described in adequate detail with clearly defined objectives?

2. Does the project appear likely to succeed? Has the PI indicated that there is a solid plan about how to achieve the goals of the project?

3. Does the applicant(s) appear to be qualified and well-trained to complete the scope of the project?

4. Is the project aligned with the sponsor’s overall goals?

5. Will the project result in measurable impact in a discipline, at the university, or in the community?

6. Does the proposed financial request and budget information appear adequate for the proposed project?
