TO WHOM IT MAY CONCERN:

The University of Missouri-Columbia Federal Wide Assurance (FWA) number is 00002876. The memberships of the University of Missouri Institutional Review Boards are duly constituted according to the requirements of the Health and Human Services and Food and Drug Administration regulations.

We confirm that the IRB operations are conducted in compliance with the federal regulations as set forth in the Federal Policy, 45 CFR 46, FDA 21 CFR Parts 50 and 56, and the "Declaration of Helsinki". Compliance to ICH Good Clinical Practice regulations are assured in the areas where GCP regulations parallel the previously stated regulations with which the IRB is compliant.

The IRB conflict-of-interest policy does not allow investigators who are IRB members to vote on protocols in which they are involved. It is the policy of the University of Missouri IRB not to release the names of its Board members. The membership of the Board is in compliance with all applicable federal regulations.

Sincerely,

A handwritten signature in cursive script that reads "Michele Kennett".
